

FELIX

The HasselPassel Kids. That would be nice... but they're in their thirties now.

DICK

We can use stock footage. Oh that reminds me, I've got the perfect music for this commercial.

DICK pulls a boombox from his belongings and plays music. FELIX shoos CRABS and poses on the AbJacker. DICK starts recording. If possible, the camera-view should be projected real-time.

CRABS

What should I do?

FELIX

Just stand offstage until I bring you on. Ready? I am pumped and ready for...

CRABS tries to get in the shot and grope FELIX as he talks. He fights her off.

Ac-tion! Camera-zoom into my eyes. Hello friends!

DICK

(imitating HasselPassel Kids)

Hi Mister Nice Guy!

FELIX

Cut. Ac-tion. Zoom out while getting close. The power to look pretty healthy. The power to look at the sun. The power to look--zoom in--reasonably dapper. Cut. Get close. Ac-tion. It's the latest and greatest-- cut! Run over there. Ac-tion.

(gestures DICK to run to his left as FELIX just turns his head)

Work out device-- cut. Run over there. Ac-tion.

(gestures DICK to run to his right as FELIX just turns his head)

In, the world. Cut. Camera zoom out. Run around me in a circle while filming. Ac-tion!

FELIX lifts the chair as though
it's heavy, while CRABS succeeds in
groping him.

It's the AbJacker Two-thousand!! Cut. Stand still and I'll
circle you now. Ac-tion. Sitting alone with nothing to do?
AbJack it!

CRABS

Fuck yeah.

FELIX runs and slides while on the
chair.

FELIX

A twenty minute break between part-time jobs? AbJack it!

CRABS

Fuck yeah.

FELIX

(to CRABS)

Stop it.

FELIX sits in the chair
and punches the air.

Or maybe you've got a hot date and want to show off. She
sits in the chair and you Abjacktify her!

FELIX sits CRABS down and gets her
stroking the neck of the chair
hard. While she continues, he sits
down on her lap, facing her, plants
his feet on the ground, and gyrates
the whole chair backward and
forward.

A great two-person work out!

CRABS

Fuck yeah.

DICK

Jack it hard. Jack it fast.

FELIX

Cut. Dick, don't. Crabs, we're going to have to bleep you.

DICK

Crabs, you're doing great. Felix, I'm just filling in. Like we really need to get the disclaimers in there.

FELIX

Disclaimers?

DICK

The reasons people shouldn't use this. We've had some lawsuits for not warning--

FELIX

--like with the electric sanders and the cashmere?

DICK

Yes. So let's just get those in. Do something distracting, with Crabs, and I'll cover the basics.

FELIX

Okay.

FELIX and CRABS bark and chase each other around the chair and daintily pat and poke each other.

DICK

Not to be used if you are, pregnant, hung-over, diabetic, operating heavy machinery, kosher, resident to the State of California, experiencing hemo-diaphoresis, or overweight.

FELIX

Overweight?

DICK

It's a placeholder. We'll fix it later, keep going!

CRABS stretches across the chair, recumbent on her hip. FELIX starts to spin her, progressively faster as he talks. He pulls the stapler out of his pants and pantomimes it talking.

FELIX (STAPLER)

Yes. Yes. Yes! Yes!! The AbJacker Two-thousand is more useful than-

DICK

(excited by the stapler)

Yay! An emotional hardware store!

FELIX (STAPLER)

Yes? The taste in your mouth will be like-

DICK

Your seventeenth birthday party!

FELIX (STAPLER)

Yes. It pumps your body with more testosterone than-

DICK

Six monkeys in a cage with a banana monster!

FELIX

Cut. Dick, calm down with that stuff.

DICK

Yes!

FELIX (STAPLER)

Action. And when you're done with your workout, you feel like-

DICK

A cocaine-fueled brontosaur in space!

FELIX

Cut. What is this, Mad Libs?

DICK

Action!

FELIX

And when you invite your friends over who all bring their very own very portable AbJacker Two-Thousands, you have the sexiest party in the universe! So stop looking all voluptuously and pimply, and start looking--

(head turn and pose with STAPLER voice)

--reasonably dapper!

FELIX takes off his shirt and waves his arm around his midriff.

Yes! Yes! Over this commercial, I burned almost seven and one half calories. So call now!

CRABS

Fuck yeah.

DICK

Cut. What are you referencing?

FELIX

That's where the phone number will flash.

DICK

If you say so.

FELIX

Won't it?

DICK

Sure. Just say 'seven.'

CRABS

This is fun!

FELIX

Ac-tion. So call now at, 'seven.' Call now at, 'seven,' to get the AbJacker Two-Thousand today for the low low price of only... 'three.' Operators are jacking by!
