

RALPH FIENNES

Don't fucking apologize. You'll be playing my girlfriend and she never fucking apologizes.

HANA

Okay.

RALPH FIENNES

And she doesn't say 'ok' like she's trying to recall the fucking alphabet. She's got proper English grammar. You'll be saying 'yes' or 'no' or 'perhaps' during this.

HANA

Yes.

RALPH FIENNES

As I tell all naked actresses in this position... sorry if I do, sorry if I don't.

*RANULPH laughs wildly.*

RALPH FIENNES

Right, now what's your name?

HANA

Hana.

RALPH FIENNES

No, it's fucking Amomda. That's my girlfriend's name. I wish it was Victoria though, that's a much nicer name. Does anyone call you Vicky?

HANA

Yes.

RALPH FIENNES

*(cuddling up behind her)*

I'm going to call you Amomda now. Where are we Amomda?

HANA

In your bed?

RALPH FIENNES

That's right, in my bed. And what are we doing?

HANA

Making love?

RALPH FIENNES

No we're not fucking making love. What's wrong with you? Like we'd be making love in front of all these innocent people? They don't need to see that. We're talking.

HANA

We're talking.

RALPH FIENNES

We just got done making love.

HANA

Okay. I mean yes.

RALPH FIENNES

Now we're talking. I say, 'Pipkins, how was your day?' and you say--?

HANA

It was lovely.

RALPH FIENNES

No it damn well wasn't. I can tell this is going to take all fucking day. You say, 'it was even worse than usual.'

*Beat.*

RALPH FIENNES

Go on then.

HANA

It was even worse than usual.

RALPH FIENNES

Your intonation is off, but that's not bad. So I say 'what happened today?' and you say 'that loan shark's been riding my arse again.'
