

TILLY
What's new?

TULLY
Same ol' crap.

TEDDY
Still hate my life.

TROMVUL
I convinced my colony to start a worker rotation program. No one ever has to be on skinning duty for more than a day a month. We get three times as much done as the colonies around us, and have one fifth the maulings.

TILLY
(off TULLY)
Same here.

TROMVUL
One fifth!

TEDDY
What a life.

TILLY
How are the jobs?

TROMVUL
I try to help out with the lower positions, but they really want me in charge of the aquarium.

TULLY
I'm tied to that drill-

TEDDY
Boring.

TULLY
Yes, boring away.

TILLY
I as well. Time will make fools of us all.

TULLY
Were any of you married?

TILLY
Never.

TEDDY
Finished.

TROMVUL
Twice.

TULLY
Still together?

TROMVUL
She died in the apocalypse.

TILLY
Anyone with anyone?

TULLY
It's hard.

TEDDY
Occasionally.

TROMVUL
Now? Yes.

TILLY
Tully, you must be with someone. The wo/men always loved you!

TULLY
Me? No, you're thinking of Teddy, that sexpot.

TEDDY
Never kept 'em. You were always the hot one Tilly.

TILLY
No, that was Tully.

Tilly.

TEDDY

Tully.

TILLY

Tilly

TEDDY

Tully.

TULLY

Tromvul, how's your dog? That puppy loved my leg.

TEDDY
(not hearing TILLY)

Maybe it was me. I was very athletic.

TROMVUL

Oh, we had to do that thing, um, what do you call it...

TULLY
(in response to TEDDY)

The few remaining members of the opposite sex left only want the opposite of sex.

TROMVUL
(remembering)

Castration...?

TULLY
(to TEDDY)

How are the kids?

TILLY
(to TROMVUL)

Neutered.

TEDDY

Good. Quite good.
